

**BOULDER DAY NURSERY ASSOCIATION  
ENTRANCE APPLICATION**

There is a \$50 nonrefundable waitlist application fee (this fee may be lowered or waived for lower income families). Please note that being on the waitlist does not guarantee your child a spot in our program. You will be notified when there is an opening and will be given ample time to decide to accept. While we will make every effort to reach you, if we have offered your child a spot and we have not heard from you within a week we will move onto the next child on the list. If your child is too old for the room they are waitlisted for and we are unable to reach you, we will remove them from the list. Otherwise you may use this application to put your child on the waitlist in other rooms, as they grow older.
